The Gift that Speaks Volumes for our Community's Future!

Dear Friends and Neighbors...

Growing up in the Smoky Mountains was a real blessing. There were some tough times, but most of our life was full of the kind of riches money can never buy. One of my most precious memories is sitting in my mother's lap and listening to her read me stories from the Bible. It felt so warm and cozy. My imagination soared to places far beyond our little cabin.

Those wonderful moments with my mother inspired me to create my Imagination Library. Thanks to the **E. John Gavras Center, Success By 6, United Way of Cayuga County, local foundations and community donors**, all of the preschoolers in your community can now have their own Imagination Library. Just think, a book mailed to your child each month until their 5th birthday!

I hope these books inspire you to read to your child. There is nothing quite like the sparkle in a child's eye when animals come alive and clowns dance on the page.

I hope you'll encourage your children to keep dreaming and to dream big. If my Imagination Library helps turn the dreams of a child into the promise of a bright future, then one of my biggest dreams will come true.

*And remember...
I will always love you,*

- Reading to your baby encourages the child to associate reading with love and comfort.
- The more you talk and read to your baby the quicker the child will learn.
- The report of the commission on reading states that "the single most important activity for building the knowledge required for eventual success in reading is reading aloud to children."
- The key to proficiency in reading is to start early.

Begin reading to your child the day he/she is born.

What Is Dolly Parton's Imagination Library?

Dolly Parton's Imagination Library is...FREE!

It sounds almost too simple to be true, but by reading regularly with your children during their preschool years, you are giving them the biggest boost toward a successful education they will ever get.

Dolly Parton's Imagination Library will help you read with your child. There are many reasons parents do not read to their child, but we can eliminate one of them. Every child will have books of their very own, **at no cost to you**, thanks to the **E. John Gavras Center, Success By 6, United Way of Cayuga County** and Dolly Parton.
